San Mateo County Childhood Lead Poisoning Prevention Program

Tips for Family Child Care Providers How to Keep Your Home Healthy **WORKSHOP**

Does your children have frequent runny
nose,
cough, red eyes or colds ?
Is your home making your children sick ?

In this session we will talk about:

- Lead hazards in paint, dust and soil
- Consumer products that have toxic amounts of lead
- Mold and mildew
- Allergies and pets
- Unwanted rodents
- Faulty appliances that release dangerous gases
- Toxic chemicals
