

Kaiser Permanente is focused on vaccinating educators, which includes childcare providers caring for infant, pre-school, and school age children.

If you are interested in obtaining a vaccine appointment, please complete an online "Covid Vaccine E-visit".

- Visit website: <https://healthy.kaiserpermanente.org/northern-california/secure/appointments/evisits>
- Click on "Covid Vaccine" E-visit
- Answer questions on what job/industry you work in: e.g. (Childcare)
If you are in a job category that we are vaccinating, then the system will send you a message advising you to book online.

You may also call our appointment line at (650) 299-2015. However, we recommend using the online booking for a faster response.

To check your vaccine status and any available next steps, please visit <https://kpdoc.org/covid19vaccineinfo>. This website also has updated information on eligibility, appointments, and frequently asked questions about the vaccines.

If you received your 2-dose vaccine outside of Kaiser Permanente, please update your medical record by going to <https://healthy.kaiserpermanente.org/northern-california/secure/medical-record/questionnaires> and complete the brief COVID-19 vaccination questionnaire.

If you are waiting to complete your 2nd dose, please wait until you've received your dose before entering the information.

Our infectious disease experts recommend everyone who's offered a vaccine receive it. This includes people with most allergies, those who are pregnant or breastfeeding, and especially those with high risk medical conditions.

Thank you for helping to keep your medical record up to date and working together to keep our members, communities, and each other safe.

COVID-19 vaccines are by appointment only

You will need an appointment for both your first and second dose of the COVID-19 vaccine. The vaccines are safe and effective. We recommend all eligible people get vaccinated.

Vaccine supplies are limited. We're distributing vaccines to eligible groups as defined by state guidelines. As supplies increase and new groups become eligible for vaccination, we'll let you know at the website below.

Learn about vaccine availability, eligibility, and schedule your vaccination at kpdoc.org/covid19vaccineinfo. You may also call 866-454-8855 to schedule when eligible.

Step 1: On your smartphone or tablet, open the camera and point it at the QR code.

Step 2: In the camera screen a URL will appear. Tap the URL to view information.
