

## Caregiving Routines as Curriculum

### WHO SHOULD ATTEND?

- Family Childcare Providers/Educators
- Center based Teachers working with children-birth to 36 months
- Family Friends and Neighbors providers
- Infant/Toddler program administrators and coaches

Participants of this seminar will have an opportunity to:

- Learn why caregiving routines are important opportunities to form close, caring relationships with each child
- Explore the practice of primary care and individualized care as they relate to carrying out daily routines with intentionality and sensitivity
- strengthen the ability to practice caregiving strategies that are consistent with the family practices and supports the child's sense of self.
