

Infant Toddler Group Care: Environments

WHO SHOULD ATTEND?

- Family, Friend & Neighbor childcare providers
- Infant care teachers working with children from birth to 36 months
- Family Childcare Providers
- Infant/Toddler program administrators

GOALS OF THE WORKSHOP

Participants of this seminar will have an opportunity to explore the vital role of play environments in infant and toddler care. This seminar will provide insights into creating safe, comfortable, and engaging spaces that foster learning and development.

Learning Objectives:

- Evaluate infant/toddler care environments regarding health and safety.
- Discuss the importance of adult comfort and convenience in caregiving.
- Explain the necessity of child choice and child-sized furnishings.
- Provide examples of flexible environments that encourage movement.
- Understand how play environments serve as integral parts of the curriculum.
