

Scientific Inquiry for Young Children

This **Family Child Care at Its Best** workshop examines ways to provide a rich science environment for children. Using hands on techniques to explore every day science and practice principles of inquiry and documentation that enhance discovery and scientific learning.

**February 5, 2025, and February 6, 2025,
6:30–9:00 pm**

Presented by: Razzan Zahra, WestEd

This workshop will be presented in English via Zoom. The Zoom link will be emailed to registrants one week prior to the workshop.

To register for this **NO COST** workshop, use the QR code or click [here](#).
